To Whom it may concern,

Paper Systems has been a longtime customer of Brown Nationalease and Mid America Logistics Group with great satisfaction in all of the functions they can perform. This includes dry van shipping and storage and complete turnkey logistics from our suppliers to our end user customers. Furthermore the provision of BRC Food Grade warehousing and the maintenance of the same was made easy by all of the staff involved especially Ray Swesey who makes a seemingly complex process very simple.

Paper Systems fully intends to continue its' relationship with Brown Nationalease and Mid America Logistics Group knowing the valuable services they can provide even with short notice. We understand the importance of the services they provide and expect to continue to grow our business with them as a partner in providing solutions.

I highly recommend Brown Nationalease, Mid America Logistics Group, and especially Ray Swesey for assisting in solving the day to day logistical problems of running a smooth business.

Most Sincerely,
